Dedication

We, the staff of the 1958 Panther, proudly dedicate this annual to the citizens of this community who help make possible the fine education that each boy and girl receives. They have been effective in giving every student greater opportunities for learning so that he will be better prepared to go forward into the future. Without the untiring patronage of these people, it would not be possible to have the school that we have today. We sincerely wish to extend a token of appreciation to those individuals who have so unselfishly given of their time and efforts to the interests and advancements of Oakwood School.

It has been the sincere purpose of the Panther Staff of 1957-58 to record effectively the events of this school year as you would like to remember them. In years to come may you turn through these pages and recall only pleasant memories of achievements, happy and worthwhile experiences, and unselfish and lasting friendship formed while at the Oakwood School.
